

Prague, January 20th, 2016

**Tžiště PLC with its hotels Golden Well and Aria Hotel Prague were awarded with several prizes in various categories Travelers's Choice 2016.**

Golden Well Hotel became **The Best Luxury Hotel in Europe** and took a **3rd place** in a category **Best Luxury Hotel in the World**. What is more to be noticed is that it is also in **TOP 20** in the category of **Best Service in the World**. This is the biggest success since a sister property Aria Hotel Prague became number one hotel in the world in 2009.

Golden Well Hotel is a truly magical boutique hotel with only 19 rooms and suites located just under the Prague Castle boasting spectacular views over the city. Inspired by legends such as Rudolf II and Johannes Kepler, the home atmosphere is amplified by excellent cuisine of its restaurant Terasa U Zlate studne that has, besides others, won a Best Restaurant in Czech Republic by Travelers 'Choice 2015.

**Aria Hotel Prague** took a second place in the category **TOP 25 hotels in the Czech Republic**. Aria Hotel Prague is an ideal place for music lovers and individuals with passion for the best service. This five star hotel situated in the historical Mala Strana features 51 rooms and suites, is adjacent to the UNESCO Vrtba Garden and offers its guests Music Library, fine dining restaurant CODA, rooftop terrace and hotel cinema.

*' Every year, I am thinking what we should do for the next year to stay among the best hotels in the world. This year's awards pleased me a lot as it one of the best results we have ever achieved. This is a proof that the combination of a quality product, unbeatable location and mainly loyal employees, which look forward to work daily, brings success.'*

*Jiri Hlavaty, General Manager*

Travelers'Choice awards belong to the most monitored in the Hospitality Industry. According to TripAdvisor.com, it is the biggest travel portal in the world with more than 350 Unique Visitors monthly, which makes it the most popular travel review website of the world.
